Frequently Asked Questions

What if I have to miss a weekly meeting?

Attending as many as you can is best, however, the weekly meetings will be recorded so you can watch at a later time.

About how much time per week will the VSU program take?

We estimate 3 to 5 hours per week plus the weekly meeting which are about an hour. It will vary depending on the learning content that week.

Do all team members have to register?

Yes, you should be learning the same concepts so that you can apply them to running your business.

What if I want to run a business by myself?

Teamwork makes the dream work! However if you really want to work on your own you can - but it might get lonely!

I don't have any local friends who are interested in VSU but I'd like to work with someone. How can I find a team?

During the registration process, if someone from your community registers and is also looking for a team member, we can see if it would work out. No promises though.

I'm 15 (or 16) so will be too old to attend as a camper when RAYEC comes back in 2022. I really wanted to go to camp. Is there any hope?

Yes! By participating in VSU | Presented by RAYEC you will get 'credit' for attending one year of camp and will be eligible to apply to be a youth leader in 2022.

Do we have to run our business all summer?

No, but you do have to demonstrate that you launched it and attempted to make some sales.

What happens to the money we earn with our business?

You get to keep it! If you needed to borrow money to get started then of course it needs to be paid back too.
